Edstart Plus Flexible Options	Weekly, fortnightly, monthly options available.	As arranged.

Business Terms & Conditions

Fee Structure

The fee has two components: **Tuition Fees and Composite Fees**. The School may, at its sole discretion, increase its fees and charges as the Fee schedule is subject to change annually.

■ Tuition Fee

Tuition Fees covers staff salaries and staff related costs.

■ Composite Fee

The Composite Fee covers all other costs, including but not limited to:

- Information technology costs including internet access, printing/photocopying and maintenance of school equipment.
- Utility services such as electricity and telecommunications.
- Educational costs including curriculum materials, camps, excursions and other compulsory programs.

Fees do not include the cost of textbooks, personal electronic devices, iPad Apps, computer software, stationery, school photographs, public transport, optional excursions or camps (except for Kindergarten to Year 1 students where books and stationery are included in the Composite Fee).

- Fees and charges will not be apportioned on a pro rata basis in any circumstances except for a student who returns to complete Year 12 on a "Year 13" arrangement.

Kindergarten

A proportion of fees collected may be applied to the running of the School's Kindergarten.

School Building Fund Contribution

The Lowther Hall Building Fund assists in funding the School's ongoing building improvement program. All students benefit from voluntary contributions to the Lowther Hall Building Fund.

Families are warmly invited to make a voluntary, tax-deductible contribution. A contribution of \$700 per family is suggested, however this is a guide, and any amount you are able to give is sincerely appreciated. Every contribution, whatever its size, helps the School deliver modern, inspiring facilities while reducing the need for additional borrowing. Current projects include the completion of the Visual Arts upgrade, as well as the development of the Physical Education and Wellbeing Precinct.

Discount on Fees

- Discounts including [scholarships](#) apply only to the Tuition component of School Fees. The Composite Fee is not subject to discount.
- General information in relation to [scholarships](#) is set out in the enrolment tab, under the [scholarships](#) section on the website.
- A 10% reduction on the Tuition Fees applies for second and subsequent sisters attending the School concurrently and is applied to the younger student's/s' Tuition Fees.
- Payment for a full year's tuition and composite by the first day of Term 4 2026 is subject to a 2.5% discount on the tuition fee components.

- For Families with siblings enrolled at the School who opt to pay Fees for the Full Year in advance, please note that the Sister discount is applied first and the Annual discount is then applied to the Net Tuition Fee.
- In the event that a family wishes to withdraw a student for a term or multiple terms (for example, due to a parent's secondment overseas) the family can apply to the Principal in writing to hold the student's place. A Holding Fee of 50% of the Tuition Fee is the standard charge.

Application Fee

A non-refundable Application Fee of \$100 (includes GST) per student is payable on application for admission to the School.

Enrolment Fee

On acceptance by a Responsible Person (or the Responsible Persons) of an offer of enrolment for a place at the School, a non-refundable Enrolment Fee of \$2,000 per student is payable to secure enrolment (the Enrolment Fee).

Payment Methods

The following payment methods are accepted by the School:

- The School provides debit and credit payment facilities for annual fee payments through the Business Office. MasterCard, AMEX and Visa are accepted.
- BPay facility.
- Cheques should be made payable to Lowther Hall AGS and are accepted at the School's main reception office, addressed to:
Accounts Payable, Lowther Hall AGS, PO Box 2081, ESSENDON WEST VIC 3040.
- Instalment payments, including weekly, fortnightly, monthly and termly payments, are all processed through Edstart Plus (see Edstart Plus section for details).

■ Term & Flexible Payment Options

The School has partnered with Edstart Plus which provides Fee Management Services to provide families with more flexibility to pay tuition fees in periodic instalments which suit their personal circumstances.

All instalment payments are to be made through Edstart Plus. Edstart Plus allows the payment of School fees in weekly, fortnightly, monthly and termly instalments. Edstart Plus is free for families to use.

Families who wish to pay their fees by instalments must create an Edstart Plus account.

Please note the Edstart Plus partnership with the School is not the Edstart Pay or Edstart Extend service that has previously been available as required to families. Instead, Edstart Plus is provided at no additional cost to families and does not affect a family credit rating as it is not a credit product.

For all payment method options, full details are available through the Edstart customer portal.

For more information and to setup your account please visit www.edstart.com.au/lowtherhall or please contact Edstart Plus on 1300 139 445.

Business Terms & Conditions

Private Lessons & Other Co-curricular Activities

Private lessons are available in speech, drama and music. Separate terms and conditions apply to these lessons and are available on request. Some optional co-curricular activities, such as rowing, overseas trips and overseas exchanges, incur additional charges and are billed separately. Materials associated with private music lessons, private speech and drama lessons, as well as some elective subjects, sport and co-curricular activities may attract a separate charge. Enrolment for private lessons and other co-curricular or optional activities will not be accepted or maintained for any student if the School account for that student's family is in arrears.

Non-Payment of Fees

The School relies upon the Responsible Person/s to pay on or by the due date for payment. Any deviation from this compliance requires valuable resources to be allocated to debt collection rather than facilitating education services. If required, the School will take measures to recover fees, charges and the costs of recovering such debt.

The following conditions apply in relation to default in payment:

- Outstanding amounts will accrue interest at the rate fixed under Section 2 of the Penalty Interest Rates Act 1983 (Vic).
- Students will not be permitted to undertake optional co-curricular activities whilst the School account is in arrears.
- The School reserves the right to suspend enrolment if accounts remain in arrears.
- Students may not commence a new school year while accounts are in arrears.
- In cases where it is considered by the Principal that a Responsible Person/s has a history of substantial non-compliance with the School's terms of payment, the School may impose special conditions upon the continuing enrolment of the student/s of that/those Responsible Person/s for the payment of any outstanding accounts and future fees and charges including, but not limited to, requiring payment of all school fees and charges for the full year in advance before the commencement of the next school year.

- If a student is withdrawn at the insistence of the School then the Responsible Person/s are responsible for full payment of the School account and are liable for all fees and charges up to and including the date of notice of the student's enrolment cancellation.
- No reductions in school fees are available for absences unless previously agreed to by the Principal in writing. The Holding fee will apply.
- Any enforcement expenses (including legal fees) incurred by the School in the collection process for outstanding accounts will be passed on to and be payable by the Responsible Person/s.

Notice of Withdrawal

Two terms' notice in writing must be given by the signatories to the Enrolment Contract when a student is removed from the School, or one term's Fees are payable in lieu.

Insurance

The School carries insurance cover for school activities including camps, excursions, travel and accidents that may occur on school premises. However, we recommend that parents take out their own private medical insurance for their daughter, as well as ambulance cover, as not all circumstances may be covered (for example pre-existing illnesses).

Acceptance of Business Terms & Conditions

The person/s signing the Enrolment contract [the Responsible Person/s] are liable (and jointly and severally liable if more than one) for all fees and charges payable to the School. This agreement applies regardless of any changes in the relationship between co-signatories, any child support arrangements or any private agreement with a third party regarding payment of fees.

In the absence of an agreement in writing with the School to the contrary and signed by all Responsible Persons, invoicing will remain to the Responsible Person/s.

Please note these Terms and Conditions are subject to change, and School Fees are reviewed annually.
