## FROM THE PRINCIPAL

At this time of the year it seems appropriate to consider the issue of leadership, as Christmas celebrates the arrival of one of the world's great leaders just over 2000 years ago. For Christians, Jesus was not only the person who brought God among us, he is the model we aspire to follow in the way that we live and lead.

During Term 4 at Lowther Hall our 2007 School Leaders were chosen and began to undertake some aspects of their roles. This year girls who were seeking a particular position were invited to speak about the role and what they thought they might bring to it. Girls spoke eloquently, often with humour, passion and some wisdom about their goals and it was obvious that there are many girls who would fill leadership positions very ably – more girls than there are positions as always seems to be the case.

One speech particularly struck me because of its honesty and its understanding of the ways in which leadership is most convincingly demonstrated.

"Leadership is such an important life skill to have and to learn. Great leaders use empathy which is a skill used to imagine and think yourself into someone else's situation. You should always be able to trust a leader and they should be truthful [to] and understanding [of] themselves. To achieve anything, you need to believe. It's the same with leading". These words were part of the speech that this year's Junior School Captain, Amelia-Jean Swain, made to explain to Year 5 girls the role of the Junior School Captain.

Each one of us can lead others in the way Amelia describes. How much better would our world be if all leaders thought in this way?

As we celebrate the end of one year and the beginning of another I hope that all members of the Lowther Community will enjoy a time of fellowship with family and friends. May God's blessing fall richly upon all of us.

## LOWTHER GIRL WINS NATIONAL PRIZE

Congratulations to Year 10 student Ada Vuu who was selected as the National winner in the Junior B Division of the Consulate-General of Japan's Essay Competition! ## MANSION OPEN DAY

The Mansion Open Day, held on Sunday 15 October was a fabulous success. People came from far and wide for the opportunity to wander through the elegant hallways and descend the beautiful central staircase, taking in the detail of wood panelling, leadlight and mosaic. Classified by the National Trust as "a building to be preserved for the nation", Earlsbrae is a superb centrepiece of our school.

The Open Day was hosted by the Lowther Hall Old Grammarians Committee. Brewer Coiler McCracken built Earlsbrae in 1890 to accommodate family, guests and staff in grand style. The Old Grammarians captivated visitors with anecdotes of school days and boarding in the building.

## PETER MALCOLM

### NEW CHAIRMAN OF SCHOOL COUNCIL

Peter's association with Lowther Hall began in 1981 when his son Andrew was enrolled in Kindergarten. His daughter Louise attended Lowther Hall from Kindergarten and completed Year 12 in 1996.

Peter, a Civil Engineer, joined the Lowther Hall School Council in 1993 and has served on the Property, Finance and Development and Nominations Committees and as Secretary to the School Council.

After many years of corporate life, Peter set up a private consulting business and is currently consulting to local government. He includes family, golf and the Geelong Football Club amongst his interests.

## FAREWELL TO MARK ARMOUR

In August, Mark resigned as Chairman of the Lowther Hall School Council, a position he had held since 2002. Mark and his wife Christine are now living in Atlanta USA where he continues his career with INVESCO, a global funds management group.

Mark joined the Lowther Hall School Council in 1996 when his daughter Caroline (Class of 2004) was a student but he has a long family association with the School. His grandfather Harold Colwell was a member of the Council in the 1940s and his mother Mary is a former student and member of staff as well as the current President of the Lowther Hall Old Grammarians' Association. Sisters Cathy and Mary-Jane are both former students.

During his time as Chairman, Mark was deeply involved in both the planning and official openings of major projects including the Junior School building, the refurbishment of the Mansion and the Senior Staff wing. He was a great supporter of School community events.

## FAITH AT LOWTHER HALL

### CONFIRMATIONS

Two students prepared for Confirmation in July and August this year. Audrey Forte-Oddo in Year 6 was confirmed in the Lowther Hall Chapel on Sunday 13 August. Laura Wilson in Year 7 completed her confirmation classes at Lowther and was confirmed a week earlier at St Jude's, Carlton.

### CHAPLAINS

Lowther Hall hosted the quarterly meeting of *Chaplains in Anglican Schools* on Tuesday October 31st. Twenty-five Chaplains from various Victorian Schools met for a communion service and meeting followed by dinner.

### C.A.O.S

C.A.O.S stands for "Christians at our School". It is a Senior School lunchtime group for students and has been adopted by quite a few of the Year 8 students in particular. Over the last term students have been joining in games, craft and talks over lunch, focused on the topic of the *fruits of the Spirit*.

### VALEDICTORY SERVICE

On 18 October staff, parents and friends of Year 12 students had the opportunity to farewell our class of 2006. It was a moving service with prayers for the students' exam preparation and for their lives in the future. One of the prayers ended with the following wish for the students' lives after Lowther:

*Lord, Give each one in this class of 2006 a sense of who they are and what they can do to make a loving and positive impact in the lives of all they encounter as they go out into this world today. Open doors of service for them and show them the path to wisdom and life.*

The guest speaker at the Service was the Reverend Michael Prahbaran, Associate Chaplain at Mentone Grammar School, who spoke on the theme: *A Life of Integrity*.

**The Reverend Tracy Lauersen  
Chaplain**

### CHAPEL GUESTS

Three members of the Lowther Hall family recently delivered inspirational addresses at our weekly Chapel service.

The Revd Tim Patrick gave a heart-felt interpretation of John 14: 8-10 and the message that 'whoever knows Jesus knows God as well'.

The Revd Bill Beagley spoke on James 1: 19-27, exploring 'the importance of being quick to listen, slow to speak and slow to anger'. Revd Beagley's vivacious and humorous approach engaged his audience.

The Revd Dr Helen Granowski chose Luke 5: 36-39. She spoke about 'old things, new things and the importance of change'. Revd Dr Granowski is also an enthusiastic speaker with great experience in girls' education.

## DEBATING SUCCESS AT SWANNIE AWARDS

When the Debaters Association of Victoria recently announced the winners of the 2006 Swannie Awards, Lowther Hall scooped the pool in the Essendon Region with students winning the prize for highest scoring speaker in three of the four divisions. This is an outstanding achievement and testimony to the high level of skill our debaters develop.

Year 12 student Laura King won the award for A Grade, Lucy Dang, Year 11, was the highest achieving B Grade speaker and Year 8 student Raquel Potenza won the D Grade Award. The girls received their awards from the Victorian Minister for Education Services, Employment and Youth Affairs, Ms Jacinta Allen, at a ceremony held at the Sidney Myer Asia Centre at the University of Melbourne on October 9.

Debating has a strong tradition at Lowther Hall and 2006 has been one of the School's most successful years. Four teams from Years 9 to 12 made it through to the finals series, with the Year 9 team of Alice Backwell, Lauren D'Agostino, Meghan McCormack, Alice Nguyen and Alana O'Neill going to the quarter finals (the top eight teams in the state).

## ENGLISH AWARDS NIGHT

If wine, cheese, crime, film or autobiography excite you, a taste of all of these was possible at the English Awards Night. Girls from Years 7 to 12 were invited to present some of the fruits of their labour to their parents and friends.

The students presented a glimpse of what they have explored in their English classrooms. While some used multi media, others bounced on to stage as book characters. Blood dripped from the pages of the Year 8 sleuths as they read their crime stories and biographies of grandmothers touched the audience and reminded us of the richness of growing up with a multicultural background.

The senior girls presented their own version of a movie show using stills from their film studies and also dramatically enacted excerpts from King Oedipus. They also read from award winning essays on Human Rights.

## ASSEMBLY GUEST ANITA DODDS

Last term, Lowther Hall's newly established Amnesty International Club invited Anita Dodds from the organisation Child Wise to speak about her work. Child Wise is an Australian charitable organisation working to prevent the sexual abuse and exploitation of children in Australia and overseas.

It has been a successful first year for the Amnesty International Club. We have written letters to refugees, a petition to the Prime Minister about the treatment of refugees and a letter to the Minister For Immigration about women and children who are refugees. We hope that the Club will continue to raise consciousness of such issues and make a difference.

## YEAR 10 BUSINESS MANAGEMENT

In Semester 2 the Year 10 Business Management class completed their small business assignments. This year is the first time that students have had the opportunity to run a school based business as part of VCE Business Management Unit 1.

On Friday 20 October the girls set up their business stalls which they had been planning over several classes. Many products, ranging from chocolate covered strawberries to edited photos were on sale.

The day proved to be very successful with most of the stalls selling out. Good advertising proved the key to success. Each business was well promoted with posters displayed around the school. The overall profits were donated to the Werribee Support and Housing Group.

## YEAR 8 HUMANITIES VISIT TO MOONEE VALLEY CIVIC CENTRE

### Urban Development! What is it?

That's what the girls of Year 8 were thinking when they made the walk from Lowther Hall to the Civic Centre in Moonee Ponds during Term 4.

We were greeted by the Mayor of Moonee Valley, Councillor Jan Chantry and members of the Council staff. They talked to us about urban development in our community. We learnt about things such as the growing population of Moonee Valley, the ways in which zones affect change in an area, new dwellings that are being developed and redevelopments of leisure facilities. We also learnt about the environmental aspects of the Council's work.

All Year 8 students now know much more about the community we live in and the way local Councils influence a region.

## YANNERGEE GIRL POWER DAY FOR YEAR 9

As wonderful as the entire Yannergee Program is, there is something extra special about Girl Power Day. It is an opportunity for the Year 9 students to experience a full day seminar that gives them a taste of life in the workforce. The girls made their own way to the Clocktower Centre in Moonee Ponds in corporate dress ready for a day of workshops and presentations.

After workshops on personal presentation and workplace practice, the girls spent time in discussion with several of Lowther Hall's past students who are now successful women in the workforce, including a research scientist, an interior designer, a teacher, a media relations consultant and an urban planner.

It was a wonderful opportunity for previous and current Lowther girls to chat over their shared experiences. Good advice and goodwill were in abundance and it was a memorable day for all.

Monique Shaw-Robert and her father Peter accepted the Earthwatch Volunteers of the Year award.

## THE JUNIOR SCHOOL COMMUNITY CHOIR

During the last week of Term 3 the newly formed Junior School Community Choir visited the Queens Park Aged Care Facility in Moonee Ponds to entertain the residents.

This choir was formed at the beginning of the term as an extracurricular activity for students currently in Years 3 to 6. It is a voluntary, non auditioned choir with a focus on learning and performing songs from well known musicals such as *The Sound of Music* and *Mary Poppins*.

The interaction we experienced at the Aged Care Facility in our first public performance was a joy to behold. The residents were eagerly awaiting the music making and needed very little encouragement, heartily singing along with our renditions of "*Supercalifrajilistic Expialidocious*" and "*My Favourite Things*." The choir even led an impromptu rendition of Happy Birthday for a resident who was celebrating her birthday!

Assistant Head of Junior School

## EARTHWATCH AWARD FOR FATHER AND DAUGHTER TEAM

Year 6 student Monique Shaw-Robert and her father Peter Robert were recently named Earthwatch Australia's Volunteers of the Year at the organisation's Annual Dinner held at Federation Square.

Over the past six years, father and daughter have spent time during school holidays as volunteers for the Earthwatch Discovery Project, "*Waterbirds of the Coorong*". They have worked with Dr David Paton and his academic support staff and tasks have included counting birds (not as easy as it sounds), assisting with bird banding, as well as sampling, counting and measuring fish.

Monique credits her mother Glenda Shaw as the inspiration for their involvement with Earthwatch. "Mum said that Dad and I should do some 'good work' together and she discovered Earthwatch after talking to teachers and doing her own research" she says.

## FATHERS' DAY BREAKFASTS

The Junior School Fathers' Day Breakfast was a wonderful morning. There was lovely food for the fathers and daughters to share. It was all set up in the middle of the Cultural Centre. Chelsea Gillis, Junior School Deputy Captain read a wonderful poem and Amelia Swain, Junior School Captain sang "*Wind Beneath My Wings!*" There were chocolate hearts for the daughters to give to their fathers and there was a smile on everybody's face. I know we all enjoyed this very special day with our dads.

A surprise performance by the "Not So Fresh" hip hop troupe, featuring our Principal Mrs Grantskalns and staff members Ms Rhodes, Mrs Curtis, Mrs Hodgetts, Mrs Baddeley and Mrs Hoban brought the house down. They showed us all how much fun you can have from learning a new physical challenge, especially one requiring team work.

## IRISH DANCING CHAMPIONS

In early August we went to Ms Rhodes with a mission - to be able to practice our Irish dancing in one of the classrooms during lunch. We were training for the Victorian and Australian Championships and needed to fit in some more practice hours. Ms Rhodes said "Of course." We were allowed to use the classroom, but on one condition - we danced at assembly.

From then on, every Thursday and Monday lunchtime we were found at Room 4. The practice did pay off and we were fortunate enough to win the Victorian Championships, coming second in the Australian Championships.

## GOLDEN MITRE CLUB REUNION

The second annual meeting of the Golden Mitre Club was held in the Drawing Room of the Mansion on Saturday October 7. We had another very good attendance, welcoming some of those who had attended last year and adding to our membership those who had left in 1956 and before.

Next year we will be asking all those who left in 1957 and before to come and join us for a special afternoon of meeting old friends and sharing reminiscences. Those past students who spoke publicly were recorded for posterity on DVD. This will be an innovation continued at each Golden Mitre Reunion. Please contact the LHOGA if you would like to have a copy of this as a keepsake.

We wish to remind Old Grammarians that this is an ongoing activity and the hope is that the numbers will swell as new members become eligible and others who may not have attended previously will do so. We would be delighted to see more faces next year.

## LHOGA AND FRIENDS MUSIC SOCIETY

In the last edition of the Lowther News you were informed of our intent to establish the LHOGA and Friends Music Society. The purpose of this society is to tap into all the music resources of past students and their friends, so that we can present at least one public concert per year for the sheer pleasure of making music together, but also through the financial results which we hope will fund the following programs:

- A composer in residence for current students
- The commissioning of a special work for the School to perform

Rooms will be available at the School for evening rehearsals and light refreshments will be provided by the LHOGA. Please contact the names below with expressions of interest and how you would like to be involved.

# ANNUAL REPORT

## FINANCE AND MAJOR PROJECTS

Lowther Hall has continued to deliver financial results that meet budgetary expectations. Ongoing investment has been made particularly in the areas of Information Technology and Property (facilities). Particular attention has been given to investing in projects relating to safety and security.

It has now been a year since the opening of the new Staff Wing. Staff have settled into the new facilities and the previous areas of the school that were being occupied by staff have now been converted to teaching spaces. These rooms and a number of other classrooms have been upgraded over the last year to include fixed data projectors and interactive whiteboards.

The other significant projects undertaken by the School over the last year, include:-

- The refurbishment of the Leslie Road entrances to include disabled access to the Junior School entrance, a dedicated pedestrian gate to the Senior School and the completion of bluestone and iron fencing along the entire Leslie Road frontage;

- Upgrade to the School's power supply capacity;
- Replacement and upgrade of the main fire indicator panel;
- Continual upgrade to the School's security and electrical systems;
- Refurbishment of the School's main reception;
- Refurbishment of the School canteen including new commercial fridge and freezer units;
- Purchase of a new 12 seat Ford Transit bus;
- Ongoing investment in Information Technology infrastructure to ensure that IT systems are providing an up to date and reliable service.

The usual program of replacing classroom furniture, carpets and blinds has been ongoing.

I would like to thank the Administration, Property and Information Technology staff for their assistance in the ongoing management of the everyday administrative and operational matters as well as these large projects.

## BOOK WEEK 2006

MONDAY 21 AUGUST – FRIDAY 25 AUGUST

Book Week is always an exciting time in the Junior School, with the theme for the week, **Book Now!** There were many celebrations and activities held throughout the week including the "Writers' Day Extravaganza" with a range of guest authors/illustrators/storytellers spending the day running sessions with the entire Junior School.

One of the major highlights was the Storytelling Marquee, which became the place to be during the lunchtime storytelling sessions. The tickets for these reading sessions were incredibly popular! Thank you to the daily guest storytellers who shared their passion for reading and stories with the girls of Junior School.

The week culminated with the Book Week Fancy Dress Day and assembly, a colourful and vibrant week celebrating the joy of reading and books!

**Ms Marissa Caluzzi**  
Junior School Libraria

Head of Junior School, Mrs Cheryl Penberthy (aka the 'Paper Bag Princess') and Junior School Captain Amelia-Jean Swain..

Illustrator Jeff Raglus works with Year 4 students Brittany Brancatella, Claudia Campanelli, Tiana Kustura and Jade Grillo in the storytelling marquee.

The "Smarty Pants" clowns Miss Simone Saunders (front) and Ms Rachele Turnbull lead the teachers' parade.
